

SURVIVE AND PIVOT PROGRAMME

POWERED BY

Foundervine

STARTS 16TH MARCH

INTRODUCTION

The Survive and Pivot programme targets early-stage tech and digitally enabled businesses led by underrepresented communities and negatively affected by COVID-19 in Camden, Hackney, Islington and Tower Hamlets.

OBJECTIVES

Across a 10-12 week programme we will:

- **Provide** 16 hours of support including a cross-functional range of business advice (including customer discovery, finance readiness and strategy) through a blended model to support businesses to survive &/or pivot.
- **Deliver** virtual peer-to-peer accountability groups providing access to experienced, role-model mentors over an 8-week period.
- **Build** a virtual community of founders and business owners who are able to collaborate through an exclusive Slack Channel that will last beyond the length of the programme.
- **Deliver** continuous coaching support to founders as they navigate the programme and develop the tools and techniques required to succeed.
- **Host** a Finale Event where founders can showcase their ventures for the opportunity to secure funding and new stakeholder networks.
- **Provide** access to wider Capital Enterprise / OneTech community support which includes 1:1 coaching, accountability circles, content, peer networking, help finding specialist support.

THE APPROACH

The overall programme will be delivered through a blended approach combining different methods, including expert masterclasses, accountability groups and continuous support through the OneTech and Foundervine's communities of entrepreneurs

DELIVERY

- **Expert Masterclasses:** high-impact sessions designed to help startups facing challenges build knowledge, advice and gain direct access to a network of mentors, partners and investors to help them survive and pivot.
- **Accountability Groups:** a key element of the programme allowing participant to help each other reach a specific goal (e.g. acquiring new customers). These sessions complement the Masterclasses and allow deeper engagement with the entrepreneurs. These sessions will help to develop more resilient entrepreneurial mindsets amongst participants.
- **Finale Event:** At the end of the programme, the cohort will present their business to a virtual room full of specifically invited guests and individuals from the wider start-up ecosystem. The audience will include stakeholders from the corporate sector, Capital Enterprise, Foundervine, OneTech and partner ecosystem as well as mentors, programme speakers, and programme alumni.
- **Wraparound Support:** all participants will have access to the Vine and OneTech Communities which include dedicated Slack channels designed to provide founders with a strong support network as they pivot and grow ventures; 1:1 coaching, access to additional accountability circles, content, peer networking, and help finding specialist support. They will also be offered free access to SPACE4 (and other?) workspace for the duration of the programme.

THE WORKSHOPS
